

Public Meeting Notice

Reducing Purchase of Service Disparities

The Department of Developmental Services will hold four public meetings to consult with stakeholders, including consumers and families, advocates, providers, and protection/advocacy agencies, to review purchase of service data and develop recommendations to help reduce disparities. Discussion areas will include identifying cultural barriers and challenges in obtaining regional center services and the areas that need clarification for people to understand the service delivery system, as well as, plans and recommendations to promote equity and reduce disparities in the purchase of services.
