Vendors are able to confirm invoices were submitted and view direct deposit payments issued through the eBilling System. For submitted invoices, select invoice history below the invoices tab, then search to view the latest invoice information. For payments, select the payments tab, then search by various criteria. Please allow 2 business days from issue date for bank processing/posting to your account.

Please keep in mind for payment to be considered, billing must be received within 90 days of either the date when service was provided or 3rd party billing denial. Carefully enter and verify your billing data - please do not submit partial billings - only one billing submission allowed per authorized service month - submitted invoices are considered an accurate billing statement and finalized with payment.

~THANK YOU~
