FACTS & STATS ...

WHO WE ARE

VMRC is a private, non-profit corporation that contracts with the State of California to provide diagnostic, evaluation, case management, and early intervention services to people with developmental disabilities.

WHAT WE DO

VMRC purchases services such as respite, out-of-home placement, adult day programs, transportation, behavior intervention, infant development services, clinical, and diagnostic services for people with developmental disabilities.

A DEVELOPMENTAL DISABILITY ...

- Occurs before age 18.
- Is expected to continue indefinitely.
- Constitutes a substantial handicap.
- Includes intellectual disability, cerebral palsy, epilepsy, and autism.
- Is any disability requiring treatment similar to intellectual disability.

AREA SERVED

VMRC serves the counties of Amador, Calaveras, San Joaquin, Stanislaus and Tuolumne. Major urban areas are Stockton and Modesto. General population in all five counties is 1,400,032.

VMRC CONSUMER POPULATION: 15,042

San Joaquin	57.0%
Stanislaus	35.6%
Tuolumne County	2.8%
Calaveras	2.2%
Amador	2.0%
Other	0.5%

CALIFORNIA EARLY START PROGRAM

2,514 children under age 3 and their families are served in VMRC's Early Start Program which emphasizes family-focused, community based, coordinated care. VMRC collaborates with other agencies and the family as an integrated team. Eligibility criteria for the Early Start program: a child with a delay of 1/3 or more in one area of development (cognitive, social-emotional, adaptive, motor, communication); a child with established risk condition: a child at risk for developmental problems, due to birth issues or other factors.

LIVING ARRANGEMENTS

• Consumers under 18 living with families	96.8%
• Adult consumers living with families or in independent or supported living arrangements	76.2%
• Children and adults living in community care facilities	8.0%
• Consumers living in developmental centers	0.1%

VMRC BOARD

VMRC is governed by a 21-member Board of Directors and an Executive Director, who manages the agency through a senior management team.
