3. **Purpose of Contract.** The purpose of this Contract is to outline the obligations and duties of Contractor in providing the Services described in Exhibit A to Consumers and the means and process by which Contractor shall be compensated for said Services.
4. **Term of Contract.** This Contract shall commence on the 1st day of February, 2020 ("Commencement Date"), and shall terminate at midnight on the 31st day of January, 2021 ("Termination Date"), unless renewed by the Parties, or terminated earlier, pursuant to the terms of this Contract. Center shall not be required to compensate Contractor for Services performed by Contractor prior to Contractor's receipt of a written Authorization to Purchase Services from

Center or subsequent to termination of this Contract, and any Services performed subsequent to termination of this Contract shall not be construed as a renewal of this Contract.

- A. Automatic Renewal of Contract. On the Termination Date, this Contract shall automatically renew for a one (1) year period ("Renewal Period"), on the same terms and conditions contained herein, including, but not limited to, the rate to be paid by Center for Contractor's Services, unless: (1) no later than sixty (60) days before the Termination Date, a Party gives written notice to the other Party of the intent to terminate the Contract on the Termination Date; or (2) this Contract is terminated pursuant to Section 4(B) below. If this Contract is automatically renewed pursuant to this Section, Center shall send a written confirmation to Contractor within thirty (30) days of the originally scheduled Termination Date. This Contract can be renewed pursuant to this provision for a maximum of five (5) years from the original Commencement Date. For automatic renewal to occur, the process set forth in this Section must be followed each year until this Contract is terminated. Automatic renewal of this Contract for one (1) or more years does not guarantee renewal for any subsequent year. If either Party desires to modify any of the terms of this Contract during a Renewal Period, that Party shall send a written request for a meeting to discuss the proposed modification(s). Any modification to this Contract during the renewal process, or otherwise, shall be set forth in a written amendment signed by both Parties. No oral representation by the Parties or their representatives shall be effective to renew this Contract.
- B. Early Termination of Contract by Center. Should Center, DDS or the State of California determine that termination of this Contract is appropriate, Center shall provide Contractor with a written notice of termination describing the reason for termination ("Center's Notice of Termination"). This Contract shall be deemed terminated thirty (30) days following delivery of Center's Notice of Termination ("Termination Date"). Center's Notice of Termination shall be deemed delivered on the date that it is either mailed via certified mail, return receipt requested, or personally delivered to Contractor. Termination may occur without notice, or with less than thirty (30) days' notice, if Center determines that either: the results of any evaluation of Contractor's Service delivery warrant termination without notice or with notice of less than thirty (30) days, or Contractor's Service delivery contributes to life-threatening dangers to, or has resulted in abuse of, a Consumer.
- C. Early Termination of Contract by Contractor. Should Contractor determine that termination of this Contract is appropriate, Contractor shall provide Center with a notice of termination describing the reason for termination ("Contractor's Notice of Termination"). This Contract shall be deemed terminated thirty (30) days following delivery of Contractor's Notice of Termination, unless Contractor specifies in its Notice of Termination that termination shall be effective at a later date ("Termination Date"). Contractor's Notice of Termination shall be deemed delivered on the date that it is either mailed via certified mail, return receipt requested, or personally delivered to Center.

On and after the Termination Date, Contractor shall not conduct any further activities under this Contract and Center's obligation to pay Contractor pursuant to this Contract shall cease. Any expenses incurred by Contractor following the Termination Date will not be reimbursed pursuant to this Contract. If Contractor performed Services prior to the Termination Date that are reimbursable pursuant to the terms of this Contract, Contractor shall deliver a final claim form within ten (10) business days of the Termination Date. Center shall reimburse Contractor for those Services that were legitimately performed prior to the Termination Date.

Contractor acknowledges and agrees that Center is not obligated to refer any particular number of Consumers to Contractor, or any Consumers at all, and that this Contract is not intended to, nor shall it constitute a guarantee or vested right to have any particular Consumer, or any number of Consumers referred, assigned, transferred or sent to Contractor for Services. Contractor further acknowledges and agrees that Center shall not be liable to Contractor, for any cause of action, in law or equity, including, but not limited to, breach of contract or breach of the implied covenant of good faith and fair dealing, if Center does not refer, assign, transfer or send any particular Consumer, or any number of Consumers to Contractor for Services. Contractor further acknowledges and agrees that it shall not interfere with or limit Center's right under the W&I Code and Title 17 to secure for any Consumer served by Contractor, additional and/or alternative services which Center has determined are appropriate.
6. Services. Contractor shall provide Services in accordance with all applicable Federal, State and local laws or regulations, including but not limited to, Title 17 as it relates to the appropriate service type, in accordance with the Program Design attached hereto and incorporated herein as Exhibit C, and in accordance with the terms and conditions of this Contract, including Exhibits and/or documents referenced in this Contract. Accordingly, Contractor expressly acknowledges and agrees that adjustments to the rate of payment described herein may be made by Center. Center will notify Contractor, in writing, of any such adjustments

to the rate of payment and of the effective date of any adjustment. Contractor expressly understands and agrees that Contractor shall have no right to object to any such adjustments and that any such adjustments shall not give rise to any cause of action, in law or equity, against Center. In the event that Center is not allocated any funds for the Services referenced in this Contract, this Contract shall be null and void and of no further force and effect, in which event, Center shall have no obligation to pay any funds whatsoever to Contractor, or to furnish any other consideration under this Contract, and Contractor shall not be obligated to perform pursuant to this Contract. Zero Tolerance Policy for Consumer Abuse or Neglect

1.0 STATEMENT OF PURPOSE

Valley Mountain Regional Center (VMRC) has no tolerance for consumer abuse or neglect. Research studies document that individuals with developmental disabilities have a significantly higher risk of becoming the victims of abuse, neglect, or exploitation as compared to the non-disabled population. In an effort to ensure the health, safety, and security of VMRC consumers, our agency is committed to a "Zero Tolerance" standard for consumer abuse and neglect.

2.0 DEFINITIONS

Abuse includes, but is not limited to, physical abuse, neglect, financial abuse, abandonment, isolation, abduction, or other treatment which results in physical harm, pain or emotional/mental suffering, or deprivation, by a person providing care and supervision, of goods and services which are necessary to avoid physical harm or emotional/mental suffering further defined as follows:

- **Physical Abuse:** Any act which results in non-accidental injury. 3.0 PRINCIPALS, GUIDELINES

VMRC and all of their service providers shall ensure employees are fully informed of VMRC's Zero Tolerance Policy on Consumer Abuse and Neglect.

Employees are to be fully informed of the policy upon hire and annually thereafter. Each employee must be knowledgeable of

- 1) their responsibility to protect consumers from abuse and neglect, and
- 2) the signs of abuse and neglect, and
- 3) the process for reporting suspected abuse or neglect, and
- 4) the consequences of failing to follow the law and enforcing this policy.

“Reasonable suspicion” is the standard for reporting abuse and neglect. All VMRC staff who are mandated reporters pursuant to the California Penal Code, and all employees of service providers and long-term care facilities who are mandated reporters will strictly comply with the reporting laws at all times. A mandated reporter must (unless exempt under law) report all consumer abuse to the applicable governmental authorities immediately or as soon as practicable after his or her discovery or reasonable belief that consumer abuse has occurred.

Consumer abuse committed by VMRC employees or employees of service providers or long-term care facilities will not be tolerated. All such abuse or allegations of such abuse will be thoroughly investigated. Any VMRC employee found to have engaged in abuse against a consumer will be subject to severe discipline, up to and including termination. Any abuse found to have been committed by a service provider or long-term care facility employee will be referred to the appropriate authorities and the service provider may also be subject to sanctions up to and including devendorization which equates to removal from the list of those authorized to provide services for any and all regional center consumers.

3. **Purpose of Contract.** The purpose of this Contract is to outline the obligations and duties of Contractor in providing the Services described in Exhibit A to Consumers and the means and process by which Contractor shall be compensated for said Services.
4. **Term of Contract.** This Contract shall commence on the 1st day of February, 2020 ("Commencement Date"), and shall terminate at midnight on the 31st day of January, 2021 ("Termination Date"), unless renewed by the Parties, or terminated earlier, pursuant to the terms of this Contract. Center shall not be required to compensate Contractor for Services performed by Contractor prior to Contractor's receipt of a written Authorization to Purchase Services from

Center or subsequent to termination of this Contract, and any Services performed subsequent to termination of this Contract shall not be construed as a renewal of this Contract.

- A. Automatic Renewal of Contract. On the Termination Date, this Contract shall automatically renew for a one (1) year period ("Renewal Period"), on the same terms and conditions contained herein, including, but not limited to, the rate to be paid by Center for Contractor's Services, unless: (1) no later than sixty (60) days before the Termination Date, a Party gives written notice to the other Party of the intent to terminate the Contract on the Termination Date; or (2) this Contract is terminated pursuant to Section 4(B) below. If this Contract is automatically renewed pursuant to this Section, Center shall send a written confirmation to Contractor within thirty (30) days of the originally scheduled Termination Date. This Contract can be renewed pursuant to this provision for a maximum of five (5) years from the original Commencement Date. For automatic renewal to occur, the process set forth in this Section must be followed each year until this Contract is terminated. Automatic renewal of this Contract for one (1) or more years does not guarantee renewal for any subsequent year. If either Party desires to modify any of the terms of this Contract during a Renewal Period, that Party shall send a written request for a meeting to discuss the proposed modification(s). Any modification to this Contract during the renewal process, or otherwise, shall be set forth in a written amendment signed by both Parties. No oral representation by the Parties or their representatives shall be effective to renew this Contract.

Should Center, DDS or the State of California determine that termination of this Contract is appropriate, Center shall provide Contractor with a written notice of termination describing the reason for termination ("Center's Notice of Termination"). This Contract shall be deemed terminated thirty (30) days following delivery of Center's Notice of Termination ("Termination Date"). Center's Notice of Termination shall be deemed delivered on the date that it is either mailed via certified mail, return receipt requested, or personally delivered to Contractor. Termination may occur without notice, or with less than thirty (30) days' notice, if Center determines that either: the results of any evaluation of Contractor's Service delivery warrant termination without notice or with notice of less than thirty (30) days, or Contractor's Service delivery contributes to life-threatening dangers to, or has resulted in abuse of, a Consumer.
- C. Early Termination of Contract by Contractor. Should Contractor determine that termination of this Contract is appropriate, Contractor shall provide Center with a notice of termination describing the reason for termination ("Contractor's Notice of Termination"). Contractor acknowledges and agrees that Center is not obligated to refer any particular number of Consumers to Contractor, or any Consumers at all, and that this Contract is not intended to, nor shall it constitute a guarantee or vested right to have any particular Consumer, or any number of Consumers referred, assigned, transferred or sent to Contractor for Services. Contractor further acknowledges and agrees that Center shall not be liable to Contractor, for any cause of action, in law or equity, including, but not limited to, breach of contract or breach of the implied covenant of good faith and fair dealing, if Center does not refer, assign, transfer or send any particular Consumer, or any number of Consumers to Contractor for Services. Contractor further acknowledges and agrees that it shall not interfere with or limit Center's right under the W&I Code and Title 17 to secure for any Consumer served by Contractor, additional and/or alternative services which Center has determined are appropriate.
6. Services. Accordingly, Contractor expressly acknowledges and agrees that adjustments to the rate of payment described herein may be made by Center. Center will notify Contractor, in writing, of any such adjustments

to the rate of payment and of the effective date of any adjustment. Contractor expressly understands and agrees that Contractor shall have no right to object to any such adjustments and that any such adjustments shall not give rise to any cause of action, in law or equity, against Center. In the event that Center is not allocated any funds for the Services referenced in this Contract, this Contract shall be null and void and of no further force and effect, in which event, Center shall have no obligation to pay any funds whatsoever to Contractor, or to furnish any other consideration under this Contract, and Contractor shall not be obligated to perform pursuant to this Contract. Zero Tolerance Policy for Consumer Abuse or Neglect

1.0 STATEMENT OF PURPOSE

Valley Mountain Regional Center (VMRC) has no tolerance for consumer abuse or neglect. Research studies document that individuals with developmental disabilities have a significantly higher risk of becoming the victims of abuse, neglect, or exploitation as compared to the non-disabled population. In an effort to ensure the health, safety, and security of VMRC consumers, our agency is committed to a "Zero Tolerance" standard for consumer abuse and neglect.

2.0 DEFINITIONS

Abuse includes, but is not limited to, physical abuse, neglect, financial abuse, abandonment, isolation, abduction, or other treatment which results in physical harm, pain or emotional/mental suffering, or deprivation, by a person providing care and supervision, of goods and services which are necessary to avoid physical harm or emotional/mental suffering further defined as follows:

- **Physical Abuse:** Any act which results in non-accidental injury. The use or attempt to use force on the person of another, unreasonable physical constraint, prolonged or continual deprivation of food and water, chemical restraint, or psychotropic medication without medical authorization used for punishment.
- **Sexual Abuse:** Any non-consenting sexual act or behavior.
- **Financial Abuse:** The illegal or unethical exploitation and/or use of a consumer's funds, property, or other assets.
- **Neglect:** The negligent failure of a person(s) having care or custody of a consumer to exercise a reasonable degree of care including, but not limited to, a failure to assist in personal hygiene and the provision of food, clothing, and shelter, or failure to provide medical care or protect the client from health and safety hazards including a medical diagnosis of failure to thrive.
- **Abandonment:** The desertion of a consumer by someone who is a caregiver or has custody of the consumer under circumstances in which a reasonable person would continue to provide care and custody.
- **Abduction:** The removal, without the consent of the consumer/conservator, of a consumer/conservatee to another state.

3.0 PRINCIPALS, GUIDELINES

VMRC and all of their service providers shall ensure employees are fully informed of VMRC's Zero Tolerance Policy on Consumer Abuse and Neglect.

Employees are to be fully informed of the policy upon hire and annually thereafter. Each employee must be knowledgeable of

- 1) their responsibility to protect consumers from abuse and neglect, and
- 2) the signs of abuse and neglect, and
- 3) the process for reporting suspected abuse or neglect, and
- 4) the consequences of failing to follow the law and enforcing this policy.

“Reasonable suspicion” is the standard for reporting abuse and neglect. All VMRC staff who are mandated reporters pursuant to the California Penal Code, and all employees of service providers and long-term care facilities who are mandated reporters will strictly comply with the reporting laws at all times. A mandated reporter must (unless exempt under law) report all consumer abuse to the applicable governmental authorities immediately or as soon as practicable after his or her discovery or reasonable belief that consumer abuse has occurred.

Consumer abuse committed by VMRC employees or employees of service providers or long-term care facilities will not be tolerated. All such abuse or allegations of such abuse will be thoroughly investigated. Any VMRC employee found to have engaged in abuse against a consumer will be subject to severe discipline, up to and including termination. Any abuse found to have been committed by a service provider or long-term care facility employee will be referred to the appropriate authorities and the service provider may also be subject to sanctions up to and including devendorization which equates to removal from the list of those authorized to provide services for any and all regional center consumers.
