Dear Mr. Anderson:

Thank you for submitting your calendar year (CY) 2020 performance contract. Staff reviewed the performance contract for compliance with applicable statutory provisions and the Department of Developmental Services' (Department) performance contract guidelines dated August 12, 2019. Your CY 2020 performance contract is approved as submitted. Any revisions to the approved plan must be submitted to the Department in writing. Additionally, your final CY 2019 performance contract year-end report is enclosed and ready for posting to your website.

Upon review it was noted that Valley Mountain Regional Center's CY 2020 performance contract includes the compliance measure, "Accuracy percent of POS fiscal projections (based on February SOAR)." Please note, per the Department's 2020 performance contract guidelines, this compliance measure is no longer required.

We appreciate the efforts of your staff and the community's participation in the development of your plan and its implementation. If you have any questions regarding this correspondence, please contact Danielle Hurley, Research Data Specialist I, Office of Community Operations, at (916) 654-3228, or by email, at danielle.hurley@dds.ca.gov.

Thank you for your continued cooperation.

Sincerely,
