This Contract shall be effective on and after the date in which both Parties sign it ("Effective Date").

**RECITALS**

- A. WHEREAS, pursuant to Section 4648 of the California Welfare and Institutions Code ("W&I Code"), Center is authorized to, pursuant to Vendorization or a contract, purchase services or supports for its Consumers from any individual or agency which Center determines will best accomplish all or any part of its Consumers' program plans;
- B. WHEREAS, Title 17 of the California Code of Regulations ("Title 17") permits the establishment of service contracts for the provision of Vendored services;
- C. WHEREAS, Contractor is currently Vendored by Center to provide the Services described in Exhibit A for Center's Consumers;
- D. WHEREAS, Center and Contractor desire to define the terms and conditions pursuant to which Contractor will provide the Services described in Exhibit A to Center's Consumers;
- E. NOW, THEREFORE, for valuable consideration, including the promises and payments described herein, the Parties agree as follows:

**AGREEMENT**

- 1. **Truth of Recitals and Representations.** The Parties hereby acknowledge the truth of the Recitals set forth above, and agree that the facts recited are conclusively presumed to be true as between the Parties and their successors in interest pursuant to Section 622 of the California Evidence Code. Contractor further affirms that all fiscal and other documentation submitted to Center in conjunction with the negotiation and preparation of this Contract, and Contractor's Vendorization, is complete and accurate to the best of Contractor's knowledge, supported by records and source documents, prepared in accordance with all instructions provided by Center and all applicable laws, and subject to review pursuant to any audit by Center, the State of California Department of Developmental Services, and/or any other agency of the State of California or the Federal Government, as permitted by law.
- 2. **Definitions.** The definitions set forth in the W&I Code and Title 17 shall apply to this Contract. The following terms, some of which are taken therefrom, are specifically utilized in this Contract.
  - A. "Consumer" means an individual who has been determined by Center to meet the eligibility criteria of W&I Code Section 4512(a) and Sections 54000, 54001 and 54010 of Title 17, and for whom Center has accepted responsibility to provide services.
  - B. "DDS" means the State of California Department of Developmental Services.
  - C. "Individual Program Plan" or "IPP" means a written plan that is developed by Center's Planning Team in accordance with the provisions of W&I Code Sections 4646 and 4646.5.

- D. "Individual Service Plan" or "ISP" means an individualized plan generated for each Consumer to detail exactly how to meet the goals set forth in the IPP.
  - E. "Internal Grievance Procedure" means the written set of procedures, established pursuant to W&I Code Section 4705(a), a vendor uses to achieve the communication and resolution of Consumer dissatisfaction.
  - F. "Planning Team," also known as Interdisciplinary (ID) Team, means the group of persons convened in accordance with the W&I Code Section 4646 for the purpose of preparing a Consumer's IPP.
  - G. "Record" means any book, document, writing, whether tangible, or in an electronic format, evidencing operational, financial or service activities of a service provider such as Contractor, or Center, or pertaining to the service program and/or the provision of services to persons with developmental disabilities.
  - H. "Service" means assistance provided and duties performed by a Vendor for a Consumer, as described in Exhibit A.
  - I. "Service Coordinator" means the individual specified in W&I Code Section 4648(a) as the person with the responsibility for implementing, overseeing, and monitoring a Consumer's IPP and for maintaining the Consumer's case management or service coordination file. Service Coordinator is synonymous with Center case manager, counselor or client program coordinator.
  - J. "Service Design," also known as Program Design, means a written description of the service delivery capabilities and orientation developed, maintained, and implemented by a Vendor in compliance with the rules and regulations.
  - K. "Special Incident Report" is the documentation prepared by Vendor staff or long-term health care facility staff detailing a special incident and provided to Center and appropriate law enforcement authorities.
  - L. "Vendor" means an applicant which has been given a Vendor identification number and has completed the Vendorization process set forth in Section 54302, *et seq.* of Title 17.
  - M. "Vendorization" means the process used to:
    - 1) Verify that an applicant meets all of the requirements and standards pursuant to Section 54320 of Title 17 prior to the provision of Services to Consumers; and,
    - 2) Assign Vendor identification numbers, service codes and sub-codes, for the purpose of identifying Vendor expenditures.
3. **Purpose of Contract.** The purpose of this Contract is to outline the obligations and duties of Contractor in providing the Services described in Exhibit A to Consumers and the means and process by which Contractor shall be compensated for said Services.
4. **Term of Contract.** This Contract shall commence on the 1<sup>st</sup> day of January, 2021 ("Commencement Date"), and shall terminate at midnight on the 31<sup>st</sup> day of December, 2021 ("Termination Date"), unless renewed by the Parties, or terminated earlier, pursuant to the terms of this Contract. Center shall not be required to compensate Contractor for Services performed by Contractor prior to Contractor's receipt of a written Authorization to Purchase Services from Center or subsequent

to termination of this Contract, and any Services performed subsequent to termination of this Contract shall not be construed as a renewal of this Contract.

- A. Automatic Renewal of Contract. On the Termination Date, this Contract shall automatically renew for a one (1) year period ("Renewal Period"), on the same terms and conditions contained herein, including, but not limited to, the rate to be paid by Center for Contractor's Services, unless: (1) no later than sixty (60) days before the Termination Date, a Party gives written notice to the other Party of the intent to terminate the Contract on the Termination Date; or (2) this Contract is terminated pursuant to Section 4(B) below. If this Contract is automatically renewed pursuant to this Section, Center shall send a written confirmation to Contractor within thirty (30) days of the originally scheduled Termination Date. This Contract can be renewed pursuant to this provision for a maximum of five (5) years from the original Commencement Date. For automatic renewal to occur, the process set forth in this Section must be followed each year until this Contract is terminated. Automatic renewal of this Contract for one (1) or more years does not guarantee renewal for any subsequent year. If either Party desires to modify any of the terms of this Contract during a Renewal Period, that Party shall send a written request for a meeting to discuss the proposed modification(s). Any modification to this Contract during the renewal process, or otherwise, shall be set forth in a written amendment signed by both Parties. No oral representation by the Parties or their representatives shall be effective to renew this Contract. Notwithstanding the foregoing, upon renewal the Parties to this Contract shall negotiate the rate to be paid by Center for Contractor's Services during any Renewal Period to account for Contractor's anticipated expense increases, inflation, cost of labor and/or other factors that may affect Contractor's costs to providing the Contractor's Services.
- B. Early Termination of Contract by Center. Center may terminate this Contract prior to the date set forth in this Section 4 should Center, DDS or the State of California determine that Contractor has failed to comply with any provision of this Contract, failed to comply with the written Authorization to Purchase Services, and/or failed to comply with any applicable Federal, State or local law or regulation, including, but not limited to, those which govern the provision of Services to persons with developmental disabilities. Should Center, DDS or the State of California determine that termination of this Contract is appropriate, Center shall provide Contractor with a written notice of termination describing the reason for termination ("Center's Notice of Termination"). This Contract shall be deemed terminated thirty (30) days following delivery of Center's Notice of Termination ("Termination Date"). Center's Notice of Termination shall be deemed delivered on the date that it is either mailed via certified mail, return receipt requested, or personally delivered to Contractor. Termination may occur without notice, or with less than thirty (30) days' notice, if Center determines that either: the results of any evaluation of Contractor's Service delivery warrant termination without notice or with notice of less than thirty (30) days, or Contractor's Service delivery contributes to life-threatening dangers to, or has resulted in abuse of, a Consumer.
- C. Early Termination of Contract by Contractor. Should Contractor determine that termination of this Contract is appropriate, Contractor shall provide Center with a notice of termination describing the reason for termination ("Contractor's Notice of Termination"). This Contract shall be deemed terminated thirty (30) days following delivery of Contractor's Notice of Termination, unless Contractor specifies in its Notice of

Termination that termination shall be effective at a later date ("Termination Date"). Contractor's Notice of Termination shall be deemed delivered on the date that it is either mailed via certified mail, return receipt requested, or personally delivered to Center.

- D. Termination of Contract by Either Party without Cause. Notwithstanding Sections 4(A), 4(B) or 4(C) of this Contract, this Contract may be terminated by either Party without cause upon ninety (90) days written notice to the other Party, or as mutually agreed.
  - E. No Payment for Services Performed After Termination Date. On and after the Termination Date, Contractor shall not conduct any further activities under this Contract and Center's obligation to pay Contractor pursuant to this Contract shall cease. Any expenses incurred by Contractor following the Termination Date will not be reimbursed pursuant to this Contract. If Contractor performed Services prior to the Termination Date that are reimbursable pursuant to the terms of this Contract, Contractor shall deliver a final claim form within ten (10) business days of the Termination Date. Center shall reimburse Contractor for those Services that were legitimately performed prior to the Termination Date.
  - F. Compliance with Laws upon Termination. In the event of termination, Center and Contractor shall comply with all applicable Federal, State and local laws and regulations, including, but not limited to, W&I Code Sections 4502, 4646, 4646.4, 4648, 4710 and 4741.
5. **Referral of Consumers.** Center's case management staff may refer Consumers to Contractor, as it deems appropriate, through Contractor's designee. Contractor acknowledges and agrees that Center shall not be liable to Contractor, for any cause of action, in law or equity, including, but not limited to, breach of contract or breach of the implied covenant of good faith and fair dealing, if Center does not refer, assign, transfer or send any particular Consumer, or any number of Consumers to Contractor for Services. Contractor further acknowledges and agrees that it shall not interfere with or limit Center's right under the W&I Code and Title 17 to secure for any Consumer served by Contractor, additional and/or alternative services which Center has determined are appropriate. Notwithstanding the foregoing, Center will refer consumers to Contractor's program in accordance to the Contractor's approved Program Design, Exhibit C. Center will exercise best efforts with making referral to the facility with the aim of maintaining minimum occupancy as provided in Exhibit B.
6. **Services.** Contractor shall provide Services in accordance with all applicable Federal, State and local laws or regulations, including but not limited to, Title 17 as it relates to the appropriate service type, in accordance with the Program Design attached hereto and incorporated herein as Exhibit C, and in accordance with the terms and conditions of this Contract, including Exhibits and/or documents referenced in this Contract. In the event of a conflict between the terms of the Program Design and this Contract, the terms of this Contract shall govern. The level of service provided by Contractor shall, at a minimum, be consistent with Contractor's Program Design, any other program-related documentation relied upon by the Department as a basis for establishing rates of payment, and any applicable Federal, State and local laws or regulations.

**7. Contractor's Duties.**

- A. Authorization to Purchase Services Required. Contractor may not initiate or provide any Services for Consumers until Center has issued a duly executed Authorization to Purchase Services.
- B. Special Incident Reporting Requirements.
- 1) Contractor shall report any and all Special or Unusual Incidents pursuant to Section 54327 of Title 17, including, but not limited to:

    - f) The death of any Consumer, regardless of cause and regardless of when or where it occurred; and
    - g) The victimization of a Consumer of the following crimes: robbery, aggravated assault, larceny, burglary, and rape/attempted rape, regardless of when or where such an incident occurred.
  - 2) Special Incident Reports shall be made to the appropriate law enforcement authorities and to Center, via telephone, electronic mail or facsimile, immediately upon discovery of the incident, and under no circumstances shall said reporting occur more than twenty-four (24) hours after an incident occurred, was discovered, or was suspected, whichever is earliest. Notification to the assigned Service Coordinator, the Officer of the Day, or the After Hours Response Team, as identified by the Special Projects Unit of Center, shall satisfy the initial reporting requirement.

- 3) Thereafter, within forty-eight (48) hours after the alleged incident occurred, was discovered, or suspected, whichever is earliest, Contractor shall provide Center with a written report describing the alleged incident and Contractor's response thereto. Failure to report any such incident to the appropriate law enforcement authorities and to Center, and/or failure to provide the required written report, shall constitute a distinct and separate ground for automatic termination of this Contract, notice of which shall be served personally or via certified mail, return receipt requested, to Contractor.
  - 4) Written reports of incidents shall include all relevant information, including, but not limited to:
    - a) Contractor's name, address and telephone number;

    - k) Dated signature of the person creating the written report on behalf of Contractor.
  - 5) Failure to Report. Failure to report any of the foregoing incidents to the appropriate law enforcement authorities and to Center, and/or failure to provide the required written report, shall constitute a distinct and separate ground for automatic termination of this Contract, notice of which shall be served personally or via certified mail, return receipt requested, to Contractor.
- C. Compliance with IPP. Contractor shall follow IPP documentation requirements as set forth in Section 56720 of Title 17 and W&I Code Section 4648 and shall properly train all staff as necessary to ensure the adequacy of said documentation. All Services rendered

by Contractor shall be in furtherance of the IPP. Contractor shall not render Services that are not called for in the IPP. Center shall notify Contractor of annual IPP meetings at least five (5) days in advance of all such meetings, unless the Consumer or their legally authorized representative asks that the Contractor not be at the meeting.

- D. Developing ISPs. Contractor agrees to follow “person centered planning philosophies,” as published by DDS, in developing ISPs for Consumers and/or to procure such training as is necessary to ensure adequate staff participation in person centered planning.
- E. Use of Public or Generic Resources. Regional centers are required to use generic services when available. Contractor understands and agrees that if a Consumer or Consumer’s authorized representative chooses not to access available generic services (e.g. IHSS, Medi-Cal, public school, California Children's Service), Center will not be able to pay for the service. Contractor shall utilize, to the fullest extent feasible, those public resources which are available without additional cost to Contractor and which will enhance the quality of Services provided to those Consumers who can benefit from the use of such resources.
- F. Grievance Reports / Complaints. 8. **Payment for Services.** The Parties fully understand and agree that payment under this Contract is dependent upon available Federal and/or State funding. Contractor expressly acknowledges that the State and/or Federal Government may, from time to time during the Term of this Contract, require changes to the rate of payment that Center pays Contractor. Accordingly, Contractor expressly acknowledges and agrees that adjustments to the rate of payment described herein may be made by Center. Center will notify Contractor, in writing, of any such adjustments to the rate of payment and of the effective date of any adjustment. Contractor expressly understands and agrees that Contractor shall have no right to object to any such adjustments and that any such adjustments shall not give rise to any cause of action, in law or equity, against Center. In the event that Center is not allocated any funds for the Services referenced in this Contract, this Contract shall be null and void and of no further force and effect, in which event, Center shall have no obligation to pay any funds whatsoever to Contractor, or to furnish any other consideration under this Contract, and Contractor shall not be obligated to perform pursuant to this Contract. Payment to Contractor shall only be made according to the following terms:

- A. **Reliance on Authorization to Purchase Services.** All payments shall be made in accordance with the Authorization to Purchase Services provided to Contractor by Center. Payments shall not be made based upon oral authorization to provide services.
- B. **Rate of Payment.**
  - 1) The rate paid to Contractor by Center shall be cost effective to the State of California.
  - 2) Contractor shall not charge Center a rate for Services to Consumers that is more than Contractor would charge, or is charging, for any other purchase of the same or substantially similar service.
  - 3) Center shall pay Contractor at the rate described in Exhibit B which shall constitute the total amount of compensation for Contractor's performance of this Contract.
  - 4) Contractor also understands and agrees that the maximum amount described in Exhibit B is the highest total amount which can be paid by Center to Contractor under this Contract, unless otherwise agreed to in writing by the Parties. Contractor further understands and agrees that if the maximum amount exceeds the amount described in Exhibit B, this Contract is not valid unless and until it is approved by Center's Governing Board. Nothing in this Contract shall be deemed to guarantee that Contractor will receive the maximum amount of compensation provided for in Exhibit B, or any compensation at all, as Center cannot guarantee the amount of Services that Contractor will be asked to provide for Consumers.
  - 5) Center and Contractor agree that after the third year of Contractor's performance of services described in Exhibit A., the rate of payment described in Exhibit B. can be adjusted subject to written approval by DDS. The Contractor is otherwise entitled to adjustments in the service rate connected specifically with minimum wage increases in accordance with DDS guidelines and rules currently implemented and prospectively applied provided that the Contract submits required information for Center's and DDS review and approval.
- C. **Payment in Arrears.** Center shall pay Contractor in arrears for Services provided in the previous calendar month.

- 1) Claim Form. Contractor shall bill Center, on a monthly basis, for Services provided in the previous month by submitting to Center a completed and signed claim form in the format provided by Center, or electronically. Contractors who submit their claim forms electronically shall retain all supporting and required source documentation. All other contractors shall submit all supporting and required source documentation with their claim forms. The supporting and required source documentation shall include, at a minimum, the information required by Section 50604(d) of Title 17.
  - 2) Certification. For each claim form submitted, Contractor shall certify under penalty of perjury:
    - a) All services for which Contractor is seeking payment have been provided to Center consumers by Contractor; and
    - b) All information submitted to Center along with the claim form is accurate and complete.
  - 3) Time for Submittal of Claim Form. Claim forms, and supporting and required source documentation, if applicable, shall be submitted to Center on or before the tenth (10<sup>th</sup>) day of each month. Contractor understands that at the very latest, Contractor must submit a claim for reimbursement for all Services performed within ninety (90) days of the actual date of service. On each claim form, Contractor shall certify that all Services for which Contractor seeks reimbursement were performed within ninety (90) days of submittal of the claim form. Contractor further understands and agrees that it shall not be paid by Center for any Services that were performed more than ninety (90) days before submittal of a claim form for the Services.
- D. Date for Payment by Center. On or before the twenty-fifth (25<sup>th</sup>) of each month, Center shall pay Contractor according to the information provided in each claim form. Notwithstanding the foregoing, Center shall have no obligation to pay Contractor: if Contractor fails to provide supporting and required source documentation for each claim form submitted to Center on or before the 10<sup>th</sup> of the month, or fails to make such information available in the case of electronic billing; if Center disputes any item submitted by Contractor in conjunction with a claim form; or if the claim form is inconsistent with the Authorization to Purchase Services provided to Contractor by Center.
- E. Limitations on Payment.
- 1) Center's obligation to pay for Services under this Contract arises only when Contractor has provided the Services fully and satisfactorily in accordance with the terms of this Contract.
  - 2) Payments by Center to Contractor shall not be used to supplant the budget of any agency which has a legal responsibility to serve all members of the general public and is receiving public funds for providing those Services. Nor shall payments by Center to Contractor be used to supplement the rate of payment Contractor is receiving from any agency for Services provided to a Consumer.

- 3) No more than fifteen percent (15%) of Center funds shall be spent by Contractor on Administrative Costs. Funds spent on direct Services (costs immediately associated with Services to Consumers being offered by Contractor) shall not include any Administrative Costs. Administrative Costs, include, but are not limited to:

### **Zero Tolerance Policy for Consumer Abuse or Neglect**

#### **1.0 STATEMENT OF PURPOSE**

Valley Mountain Regional Center (VMRC) has no tolerance for consumer abuse or neglect. Research studies document that individuals with developmental disabilities have a significantly higher risk of becoming the victims of abuse, neglect, or exploitation as compared to the non-disabled population. In an effort to ensure the health, safety, and security of VMRC consumers, our agency is committed to a “Zero Tolerance” standard for consumer abuse and neglect.

#### **2.0 DEFINITIONS**

Abuse includes, but is not limited to, physical abuse, neglect, financial abuse, abandonment, isolation, abduction, or other treatment which results in physical harm, pain or emotional/mental suffering, or deprivation, by a person providing care and supervision, of goods and services which are necessary to avoid physical harm or emotional/mental suffering further defined as follows:

- **Physical Abuse:** Any act which results in non-accidental injury. The use or attempt to use force on the person of another, unreasonable physical constraint, prolonged or continual deprivation of food and water, chemical restraint, or psychotropic medication without medical authorization used for punishment.
- **Sexual Abuse:** Any non-consenting sexual act or behavior.
- **Financial Abuse:** The illegal or unethical exploitation and/or use of a consumer’s funds, property, or other assets.
- **Neglect:** The negligent failure of a person(s) having care or custody of a consumer to exercise a reasonable degree of care including, but not limited to, a failure to assist in personal hygiene and the provision of food, clothing, and shelter, or failure to provide medical care or protect the client from health and safety hazards including a medical diagnosis of failure to thrive.
- **Abandonment:** The desertion of a consumer by someone who is a caregiver or has custody of the consumer under circumstances in which a reasonable person would continue to provide care and custody.
- **Abduction:** The removal, without the consent of the consumer/conservator, of a consumer/conservatee to another state.
- **Isolation:** The intentional preventing of a consumer from receiving mail, telephone calls or visitors when contrary to the expressed wishes of the consumer.
- **Emotional Abuse/Mental Suffering:** Fear, agitation, confusion, severe depression or other forms of emotional distress that is brought about by deprivation, threats, harassment, or other forms of intimidating behavior.

### 3.0 PRINCIPALS, GUIDELINES

VMRC and all of their service providers shall ensure employees are fully informed of VMRC's Zero Tolerance Policy on Consumer Abuse and Neglect.

Employees are to be fully informed of the policy upon hire and annually thereafter. Each employee must be knowledgeable of

- 1) their responsibility to protect consumers from abuse and neglect, and
- 2) the signs of abuse and neglect, and
- 3) the process for reporting suspected abuse or neglect, and
- 4) the consequences of failing to follow the law and enforcing this policy.

"Reasonable suspicion" is the standard for reporting abuse and neglect. All VMRC staff who are mandated reporters pursuant to the California Penal Code, and all employees of service providers and long-term care facilities who are mandated reporters will strictly comply with the reporting laws at all times. A mandated reporter must (unless exempt under law) report all consumer abuse to the applicable governmental authorities immediately or as soon as practicable after his or her discovery or reasonable belief that consumer abuse has occurred.

Consumer abuse committed by VMRC employees or employees of service providers or long-term care facilities will not be tolerated. All such abuse or allegations of such abuse will be thoroughly investigated. Any VMRC employee found to have engaged in abuse against a consumer will be subject to severe discipline, up to and including termination. Any abuse found to have been committed by a service provider or long-term care facility employee will be referred to the appropriate authorities and the service provider may also be subject to sanctions up to and including devendorization which equates to removal from the list of those authorized to provide services for any and all regional center consumers.
