

RAPID EMERGENCY SERVICES TEAM

Crisis Services – Extra Help is on the Way!

Our Rapid Emergency Services Team (REST) located in San Joaquin and Stanislaus counties provides on-site crisis intervention and training services for individuals who are experiencing severe emotional, psychological or traumatic crisis residing in any type of community setting. We specialize in working with people with a wide range of behavioral challenges. Some supports we offer through REST include:

- Assessment and development of Proactive Strategies to address challenging behaviors
- Skills Training
- Emergency intervention supports
- Care coordination
- Supplemental and 2:1 staffing
- Emergency respite
- Emergency transportation
- On-going monitoring and support
- Other supports as needed
