Brian Bennett, VMRC Community Services Director, presented to the committee the attached presentation on VMRC's Community Placement Plan (CPP) and Community Resource Development Plan (CRDP) and answered any questions that the committee had.

### **D. Public Comment**

Dora Contreras – The Latino Community has been asking at several meetings if we can have floor time as behavior intervention instead of ABA. We know the community now knows that Encore is ending their services because they're getting letters. So, for the adults, the only thing left is CBEM. I know it's not a best practice, but if the community is requesting it, and other regional centers have it, why aren't we considering it?

### **E. Intake, Early Start, and Case Management Update**

Doug Bonnet presented for Tara Sisemore-Hester and Christine Couch who were away at an ARCA conference. Doug presented the intake reports through July for all 3 offices for both Early Start and Lanterman intake. Doug answered any questions that the committee members had.

### **F. Self-Advocacy Council Area 6 (SAC6) Update**

Crystal Enyeart reported the following:

Page 4 of 39

August 23<sup>rd</sup>, I, Lisa and Jessica attended the VMRC Board training and meeting in person.

August 30<sup>th</sup> Sac 6 members had their practice zoom chat to prepare for Fridays zoom chat training.

## **G. Resource Development Update**

Brian Bennett presented for Robert Fernandez.

Brian let the committee know that there were 218 vendor requests in August for new vendors from Service Coordinators. Resource Development continues to work hard to meet the demands of the consumers and Service Coordinators.

Multiple project under way. We are wrapping up vendorization for Independent Living Services (ILS) provider. We also have 6 different adult residential facilities that will be vendored over the next 15 days. 2 in Modesto, 2 Stockton, 1 Valley Springs, 1 Ceres....these are 4 bed facilities.

We have 6 providers at various stages of development for the coordinated family support services. We hope to have at least one of those providers up and running in the month of October.

We have 2 Family Home Agencies in development with us which is exciting.

Page 5 of 39

Brian reviewed the attached "Best Practices in Licensed Residential Care Revision Update". We still need work to do with this and get input on it. We hope to have it completed by January 2024. Brian will again present this at the November Consumer

Services Committee Meeting. Brian is open to input from the committee in reviewing the document.

Dora asked for clarification on the 218 vendor requests. What types of services are those? Brian explained that the 218 requests are requests for services as purchase reimbursement for social recreation. It doesn't add a new service. If a family and a consumer served wants to utilize a gym for social recreation, their Service Coordinator submits a vendor request. That vendorization is specific to that consumer and that family. It's consumer specific. Not for any other consumers to use. These are independent of other service vendorizations.

Dora – our community is confused, even though it takes time to explain things it's worth explaining. This committee should update the community on some of the terminology being used and the actions being taken.

Brian would be happy to provide a presentation on vendorization at an upcoming meeting.

## **H. Quality Assurance Update**

Katina Richison presented the attached Quality Assurance Incoming Alert Report and answered any questions that the committee members had.

Our Liaisons provided 2 SIR trainings for vendors recently.

We are gearing up for Medicare Part D open enrollment. We work with UOP for the plan reviews.

We are also preparing for our Family Home Agency Audit by DDS. California Mentor and Home at Last.

## **I. Transportation Update**

Anel Renteria from R&D Transportation gave an update.

Page 6 of 39

Continued Focus on individuals on the unmet service needs list. There are 78 individuals awaiting transportation. That number has gone down significantly. We definitely still continue to work with transportation providers to bring that number down.

There are 69 in SJ County and 9 in Stanislaus County.

Out of the 69, 32 use a wheelchair. For that reason we continue to work with providers on obtaining wheelchair accessible vehicles.

We continue to express the need for wheelchair accessible vehicles to meet the need for the community.

Several existing providers have added additional routes in the past few weeks, and we hope this continues.

#### **J. Fair Hearing Update**

Jason Toepel, VMRC Compliance Manager, presented the attached Fair Hearing report and answered any questions that the committee members had.

#### **K. Coalition of Local Agency Service Providers (CLASP) Update**

There was no update as our representative is an informed absence, and her substitute is not present.

#### **L. Clinical Update**

Dr. Claire Lazaro gave the update.

On July 20, 21 our Family Wellness Team attended the Early Start Interagency Collaboration and presented about our project to the state agency.

We also represented VMRC at the Calaveras County Health Summit on August 23.

This morning we had a training regarding the Department of Managed Healthcare and how they can help our families when they have issues with their medical services.

Upcoming activities – On September 30 there is an Autism Walk held annually. It will be at Central Catholic High School in Modesto from 9am – 12pm. Registration will be in the Friday newsletter.

We also will have our Health Fair and Vaccination Clinic at our Disability Resource Fair on October 7, from 11am – 2pm at our Modesto Office. Registration link has been and will be in the newsletter.

We will have a vaccination clinic on October 27 in the Stockton Office from 1pm – 5pm. You can call to make an appointment. 209-687-4014. In cooperation with UOP. It will also include Medicare Part D enrollment. They will also do other types of health screenings and bone density screenings. More information to come in the newsletter.

Page 7 of 39

Dora Contreras – I wanted to bring up the floor time issue again here with the clinical team. Can we reconsider something different than ABA for adults, like floor time?

Can we look into this again? I would like this committee to reconsider floor time as an added resource for adults.

Jose – we can add this as an agenda item for a future meeting.

**M. Next Meeting - Wednesday, November 1, 2023, 5:00 PM, Hybrid (In-Person and via Zoom Video Conference)**

**N. Adjournment**

Meeting adjourned at 6:15 PM.
