**\*HDO- housing development organization** -a non-profit **or** “for profit” housing development organization agency/ company/ individual who focuses on acquiring, developing affordable housing opportunities for regional center users and their families.

\* <https://www.dds.ca.gov/services/cpp/>

The CPP and CRDP provide funding to the regional centers for the development of a variety of resources, including, but not limited, to residential development, transportation, day services, and mental health and crisis services, within individuals’ communities consistent with resource development

**CPP=Community Placement Plan**

Specific for persons who are in locked settings such as state operated Developmental Centers

**CRDP =Community Resource Development Plan**

Projects benefit persons who are **not in development centers**
