

Public Notice: VMRC 2024-2025 Community Placement Plan (CPP) and Community Resource Development Plan (CRDP)

Valley Mountain Regional Center has been collecting input over the past year through our internal Unmet Resource Needs tracking, Board Meetings related to Community Resource Development Plan needs and Community Placement Plan needs.

Potential projects requested for CPP / CRDP grant funding will be in alignment with the Department of Developmental Services guidelines,

https://www.dds.ca.gov/wp-content/uploads/2023/09/FY-2023-24_FINAL-CPP_CRDP_Guidelines_9.21.23.pdf

The Department's goal for the CPP is to enhance the capacity of the community service delivery system and to support individuals moving into the community from a more restrictive environment. The Department's goals for the CRDP are to be responsive to the changing needs of individuals currently residing in the community who are receiving services through California's developmental disabilities service system and enhance the capacity for community services.

Goal One: *Expand the availability, accessibility, and types of services and supports to meet current and future needs of individuals and their families in the community.*

Goal Two: *Develop systems to ensure that quality services and supports in the least restrictive environment are provided to individuals in the community.*

Please join us in person or on ZOOM to share your input related to current and future needs for individuals supported by VMRC. Each individual will be afforded 3 minutes to share comments.
