# The 5 Principles of Self-Determination

## Freedom

You plan your own life and make your own decisions, just like people without disabilities are able to do.

## Authority

You decide how money is spent for your services and supports.

## Support

You pick the people and supports that help you live, work and play in your community.

## Responsibility

To make decisions in your life, to be accountable for using public money and to accept your valued role in the community.

## Confirmation

You are the most important person when making plans for your life. You are the decision maker about your services.
